TEQUILA & MEZCAL: A 300 YEAR HISTORY

Mezcal and Tequila are undeniably a major element of the Mexican culture. They represent a historical and cultural heritage that has transcended for over 300 years.

Tequila is Mezcal, but not all Mezcal is Tequila. Crystal clear, isn't it?

Let's make it clear amigo!
Tequila can only be made from blue agave, while Mezcal can be distilled from any variety of agave. Whilst Tequila is usually light and sweet, Mezcal is heavier and smokier.

BLANCO / JOVEN not aged.
RESPOSADO aged in wood barrels for up to 11 months.
AÑEJO aged in wood barrels, min 12 months.
